

FREE PUBLICITY

Whom will our next cover come from?

In the age of Pinterest and social media, photos are key in helping brides-to-be plan their weddings so we use hundreds of images in our magazine, on our website and in our blogs.

EVERY COVER is selected from images supplied by our clients.

Every time we use an image you provide, we give you photo credit. That's free publicity for you.

This opportunity is open to **ALL** our advertisers' not just photographers. Are you a creator of amazing cakes? Beautiful flowers? Captivating décor?

Send us photos.

To submit your photos:

- Compile / Compress your photos into one folder no larger than 450MB
- Ensure all photos submitted are at least 300 dpi
- Include your company name in the filename
- Upload to: www.uppercasedesigngroup.com
